Spy Number Three has just reported that two members of the Chapter have been trespassing, out of season, on "Owasippe's" old hunting ground. Yes, none other than Jim Naal and Vic Krueger, who went up there over Thanksgiving. Kind of cold, wasn't it, boys ?

Those two brawny muscular fellows who have prepared the entertainment for the coming meeting - Bob Garcea and Roy Van Gyzen - are looking for anyone who can play some musical instrument or who knows anyone back from overseas with some stories to tell. Get in touch with Bob or Roy immediately. Call Lincoln 5143 or Buckingham 3717 respectively.

At the coming meeting a book on the Owasippe Lodge 1940 edition, will be given away.

The annual Owasippe Lodge banquet will be held at the Sherman Hotel on December 27, 1943.

It has been the policy of the Chapter to promote and attend any affair sponsored by the Owasippe Lodge. This will continue to be the policy of the Chapter and we hope of all of its members.

A grand program has been prepared and we can assure anyone who does attend a swell time.

There will be distinguished visitors from both the Chicago Council and the Owasippe Lodge.

So come on fellows, let's get out and support this affair in a big way as true members of the Chapter support anything.

There will be "Good Eats" "Good Entertainment", and "Good Company", and we can safely say a "Good Time" will be had by all.

Price per plate: \$2.25
